Munda Dive-Fly-Stay Special SOLOMON ISLANDS

Munda is a 1 hour flight from Honiara on the southwest corner of the island of New Georgia. Whilst the area is extremely remote, a visit to Munda is extremely rewarding. The snorkelling and scuba diving opportunities are astounding. Virgin reefs and wall dives teeming with big fish action are a specialty. Munda was an important military airfield base in WWII and war relics above and below the water abound. Nearby, Roviana Island has a colourful history of headhunting, animist religion and tribal wars. Other activities include fishing, rainforest and lagoon tours, secluded island visits and beach picnics.
