

Adventure & exploration awaits in TIMOR-LESTE

Timor-Leste offers the adventurous diver the opportunity to explore the unexplored. The diving is world class with kilometres of majestic walls dropping off into the deep blue sea, acres of untouched reefs, and incredibly diverse marine life. The area has some of the most accessible and amazing shore dives. The fringing reef across the northern coast often begins just a few metres from the water's edge. Boat dives around Dili and out to the pristine, clean reefs of Ataúro Island (1 hour boat trip) are also possible. Dolphins and migrating whales can also be seen around these waters.
